

MORGAN OWNERS GROUP
TORONTO

NEWSLETTER OCT 1968

COUNTRY SUPPER With Alasdair Wallace at the pole eleven MORGANs rear off. Half an hours run finds the group surrounded by verdant countryside. Lost others! A quick about face and we're back on the trail. Doug Price losses his muffler again and at last we arrive at the farm. Chit Chat and a look at Brian's cars and then the Morgan owners exercise other parts of their anatomy by going for a walk through the country fields. On return we find a scrumptious feast laid on and set to doing it justice. After dinner Ross Bateman Shows slides of the Morgan works, Doug Price of Prauge. Then an antique car quiz and George Ormsby cheats a lot and wins. In the stilly night we head back to the city.

Many thanks to the Hingston family for a very fine outing and especially Mrs Hingston for all the lovely food.
