

**MORGAN OWNERS GROUP**  
TORONTO

NEWSLETTER Nov 1968

HAVEN HILL Everyone set off in the early dawn for the long drive to Detroit. With only one unscheduled stop to fix Doug's muffler, (one would think that particular muffler just doesn't like going on trips) we arrived at the Frantz home for lunch. The ever hospitable Frantz family were as hospitable as ever and we were soon ready to get on to Haven Hill.

Haven Hill proved to be everything that it was promised to be and a more appropriate sight for a MOG gathering couldn't be imagined—winding roads through a beautiful wood climaxed by a sprawling log chalet with the smells and sights of autumn all around. What more could weary MOG folk desire?

After the group rested and cleaned up a steak dinner was laid on and was thoroughly enjoyed. Then we went on a slide type tour of England ending at the Morgan Factory. (Where else?) A bunch of exuberance, hill climbing and general excitement echoed through the surrounding hills until everyone collapsed with exhaustion and retired.

As morning broke across our retreat the overnighters were seen enjoying English eggs, Canadian bacon and American coffee.

A side trip (including most of the Detroit area) to the Ford museum precluded our trip home. Thanks to Bob Kobiski for patiently getting us on the right trail after our usual run of fake starts. Too much happened on the trip home to relate in this newsletter but may Doug's condensor rest in piece.

CAR BADGE The car badges are now on order. The price is \$4<sup>00</sup> each for orders received before Nov. 1 and \$5<sup>00</sup> each for late orders because of the extra handling. If you wish to place an order call IAN CAMPBELL at RO-7-7411

## BAR-B.Q.

Sat Oct 26  
From 4 P.M.

Ken and Mary Stricker have invited the group to their home in Clarkston for a Bar B.Q. Following the super films of past Canadian racing will be shown (1967 Players 200, 1967 Canadian G.P. and 1961 Canadian G.P.) To reserve your seat in the pits call Ken at 822-3662.

We plan to meet at the Dominion Store in the Applewood Plaza (off Q.E. at Dixie rd) at 3:30 P.M.

OVERSEAS Mr Wittacker of Boman and Acock has been kind enough to send on the information on the +8. He also has a new crimson coloured +4 for sale at a very very reasonable price. My rough calculations bring the cost to \$2800 incl all taxes, shipping, w/w, leather upholstery, bucket seats, luggage carrier and all other Canadian extras.

If anyone is interested write to
