2ND ANNUAL WEEKEND EXCURSION

Saturday, JUNE 28 - Sunday, JUNE 29, 1969

An exciting weekend is planned touring the Niagara Peninsula with headquarters at the beautiful RATHFON INN on Lake Erie. We hope that several of our M.O.G. friends from the Detroit area will also be able to join us.

A brochure is enclosed so you can see for yourself what a quiet setting we have selected. The INN will only accommodate 16 couples, for this reason all the rooms have been reserved for us.

The Toronto Group is scheduled to leave around 2 p.m. and arrive around 4 p.m. Following this, a Cocktail Party will be held on the patio overlooking the Lake. (PLEASE BRING YOUR OWN ELIXIR - Mix and ice supplied).

After everyone is well fortified on the COUNTRY AIR, a gourmet meal will be served. Anyone wishing to bring entertainment for the early evening, please feel free to do so.

Breakfast a little after dawn - thence on to a run along the Niagara Parkway - an excellent road just built for MORGANS and MORGANEERS. Many stops will be provided for good pictures. A lunch stop will take place from which point, a bidding of farewells will take place before setting sights for home.

OVERNIGHT LODGING----- \$ 16.40 per person
(Includes Saturday Dinner & Breakfast. All
taxes included)
DINNER--(G.M.Y.)----- \$ 6.50

Because of the size of the Rathfon Inn, only 32 people can be accommodated. We must have firm reservations by MAY 15, accompanied by a deposit of \$8.20 per person. The balance by JUNE 7, at the latest.
