

MORGAN MUSINGS - AUGUST 1969

A DAY IN THE COUNTRY

Gwen and Alan Sands have extended an invitation to the Morgan owners group to spend Saturday afternoon, AUGUST 23, from 3 p.m. on. The Sands summer retreat will make an ideal location for all Morgan types to get away from the city.

Bathing suits are the only items that are needed - so all may use the pool.

The location is approximately a half hour's drive north of Toronto (13 miles north of Bolton which is $3\frac{3}{4}$ miles north of Highway #9 on Highway #50). For all those who get lost very easily in the country, the group will meet at 2.15 p.m. in front of the VALHALLER INN on highway #27, (so that the group may all get lost together).

It is expected that close to 20 Morgans will be turning out for this event.

If more information is needed, please contact Gwen or Alan Sands at 936-4341 or Ken Stricker at 822-3662.
