

MORGAN OWNERS GROUP TORONTO

COMMENT.

A certain lack of "running vehicles" is in evidence at the moment, this being apparently more widespread than in previous years, at this time.

RESULT.

Possibly as a result of the above, but anyway through lack of support, the "RATHFON INN" do, is being cancelled. Perhaps it will be revived later in the year, if there is some more support.

CONSOLATION.

Meantime, how about making a showing at somebody elses "Do", and bringing the car to the Jaguar Concourse, at the OLD MILL, Toronto, on Saturday June 3rd..

There's at least one Morgan entered at the moment. For further information, consult the Sports Car Calendar in the Globe & Mail.
